

Professional IP Phone Compatible with Microsoft® Skype for Business

The high quality entry-level phone includes robust functions and is ideal for common office use or large projects.

The T40P simplifies mass deployment with its support for multiple flexible deployment methods including deployment via an auto-provisioning server or a Skype for Business server. Customers enjoy plug-and-play ease with Yealink's pre-install firmware service. The T40P delivers HD voice, supports Skype for Business key functions and saves energy with its integrated class2 PoE (power over Ethernet) port. To enhance flexibility, the T40P is wall-mountable and can be paired with Yealink YHS32 headset and other major brand headsets via the Yealink EHS36 Wireless Headset Adapter.

Key Features and Benefits

Optima HD Voice

A seemingly magical combination of Yealink's innovative software and hardware, coupled with wideband technology, deliver T40P users an unparalleled acoustic performance. Advanced acoustic clarity technology- including full duplex, echo cancellation and adaptive jitter buffer- come together for an amazing face-to-face live experience.

Maximize Productivity

Yealink's T40P is fully compatible with Skype for Business online, on-premises and hybrid deployment- effectively extending the benefits of Skype for Business. The convenience of multi-party conferencing has never been easier than with the integrated Skype for Business conferencing feature. The T40P lets users synchronize Outlook Calendar meeting schedules in real-time- by simply clicking to join a meeting. The T40P is further outfitted with directory synchronization, visual voicemail management, Boss/Admin and more- raising the bar for productivity to new heights.

Effortless Deployment

Supporting Microsoft's Skype for Business Server in-band provisioning and in-band configuration management allows for a carefree configuration and easier-than-ever mass deployment. Automatically deploy on a variety of servers- http, https, tftp and ftp. Yealink's T40P can even be pre-installed with Yealink's premium software for Skype for Business prior to shipping, meaning plug-and-play for customers immediately after unboxing.

- Optima HD Voice
- 132 x 64 pixel backlit LCD
- Compatible with Office 365
- Calendar, Boss/Admin support
- QoE (monitoring reports)
- PoE support
- Headset, EHS support
- Wall mountable
